COMMUNION

The Lutheran Church teaches that Holy Communion is the true body and blood of our Lord Jesus Christ given with the bread and wine. Christ instituted this meal to strengthen Christians in their faith. We welcome to this meal all baptised Christians who repent of their sins, who believe in Jesus as their only Saviour, and who intend to live as God wants them to. If this is not your confession, or you are unsure, you're invited to come forward for a blessing – please cross your arms in front of you to indicate this to the pastor.

Prayer from the Lutheran

- The staff and students of Redeemer Lutheran College Rochedale Qld and Principal Tanya Crooks
- Members of St Peters congregation Elizabeth SA and Pastor Greg Bensted
- The students and staff of Maitland Lutheran School SA, along with Principal David Field
- The community, residents and management of Victor Harbor Lutheran Homes SA
- Members of St Johns congregation Emerald Qld and Pastor Stephen Jaensch
- The school of Cornerstone College Mount Barker SA and Principal Craig Fielke
- Members of LCA/NZs Judicial Tribunal, including Administrator Peter Gerhardy

General Prayers

- Pastor Adam Eime, his wife Jaunita and children Jamilla, Liam, Charlotte and Zoe as Adam prayerfully considers his call to My Gambier Parish SA
- Karen Semmler of Our Saviour Atherton whose mother has died in Germany. Karen had not been able to have her usual extended visit with her mother due to Covid.
- Joe and Pauline Mills. Joe's sister died in the UK a few weeks ago. The family is enduring a long wait for her funeral due to the number of COVID-related deaths in the UK.
- Volkher Jacobsen who has returned to PNG for several months to continue his work with MAF. We pray for his safety, and for his family as they spend time without him.

Ministry & Mission Workshop

Thank you to the 14 members who attended the Mission & Ministry Workshop last Saturday which was led by Pastor David Schmidt. Although we did not get to the point of setting a goal, we decided that it would come from one of three areas:

1. Intercultural
2. Intergenerational
3. Reaching out to those in need

The next step in our journey will be to examine the summary of the 2020 survey results and the appendix on the Workshop, when we receive it from Pastor Schmidt, to formulate our **Wildly Important Goal** that is achievable in a short timeframe.

ALWS HOPE Spot #8: [What is your Ability?](#)

I never thought my training for this year's **Walk My Way** would include eating chocolate - but I'm happy to take one (or a hundred) for the team! Rachael, a wonderful young lady in the Barossa Valley, is making and donating chocolate with her mum Chris to encourage **Walk My Way** Walkers on Saturday 1 May... and so help more refugee children go to school!

Rachael lives with a disability caused by Wolf-Hirschhorn Syndrome, a rare genetic disorder (one in 50,000 births) that can delay development and growth, and cause seizures. At birth, Rachael weighed only 1.3kg. When she was diagnosed at age 3, the doctors told Chris and husband Noel that Rachael's 'past was her future', as children with this disorder generally have a very short lifespan.

Rachael is proving them wrong! Now aged 26, Rachael completed school at various Lutheran schools in the Barossa Valley. After that, she badly wanted to get a job like everyone else, but it was a struggle to find a job that matched her skills

**That's when an elderly gentleman
(90 year old chocolatier Bryon)
gave Rachael and Chris an idea ...**

**... and recipes for the chocolate he sold
at Barossa Farmers Market, alongside their stall!**

Bryon was looking to retire from his business, and suggested chocolates could become Rachael's business. That's where **Ability Chocolates** was born! Now, Chris does the making, and Rachael does the packing, labelling and delivering. Chris explains the importance of **Ability Chocolates** this way:

"Everybody has ability, and sometimes we just need to find the right way to empower people to unlock that ability. That's why we set up Ability Chocolates, and that's why we love the way ALWS empowers people in poor communities to start their own business - including people with disabilities. It's important in any business too that you give something back to the community. That's why we want to support **Walk My Way**. Rachael had the blessing of a Lutheran education, so it's wonderful that through **Walk My Way** we can help refugee children have a Lutheran-supported education too."

Chris uses their family's nightly devotions to explain to Rachael about **Walk My Way** and the importance of helping refugee children going to school. As for Rachael, she's not only busy packing hundreds of chocolates, she's very excited to attend the **Walk My Way** Breakfast & Blessing to encourage Walkers, and remind them there's a delicious surprise waiting for them along the way!

So, what can you do to support refugee children go to school through **Walk My Way**?

- Register to do [Walk My Way](#) - in whatever way suits you best
- [Sponsor me](#) in my personal Walk
- [Give a donation](#) - \$26 supports one refugee child at school for a year

If you too, like Rachael, have the Ability to help - thank you!
