Acknowledgement of Country

The Lutheran Church of Australia acknowledges God the Father, creator of all, who in His sovereignty entrusted the care and protection of the land on which the church members worship to the Traditional Custodians of this nation. The church recognises the continuing connection that Aboriginal and Torres Strait Islander peoples have to the land, sea, sky and waterways. They pay their respect to Elders past, present and emerging.

Tea and coffee after church

It would be great to resume tea and coffee after church. If you are willing and happy to be on a roster every 4-6 weeks please let us know. If we all share the load, we can get this up and running. Please see Julie Smith (0429893181) or Pauline Mills (0478620568) to put your name down. There is also a form at the back of the church to add your name to.

Trinity Ideas Meeting.

On Tuesday night 9th May at 6pm there will be an informal get together to explore and give ideas about retaining Trinity church as our place of worship. It will be a time to give ideas and have discussion. We invite all people interested to come along and listen and pool your ideas. It will be held at the church. Pauline and Joe Mills (0478620568).

Peace Lutheran College

FOUNDATION STONE GARDEN MAKEOVER | A few students from our Environment Group took time this week to revegetate the College's foundation stone with new plants that will bloom beautifully in the coming weeks. A big thank you to these dedicated students and our Environment Group coordinating teacher and Head of Science, Mrs Cummings, who are constantly working on ways to improve our school and reduce our carbon footprint.

REAL LIFE LEARNING | As Year 5 prepares to host their own restaurant later this term, they recently had the opportunity to learn some tricks of the trade from French chef, Ludo. Using the commercial kitchen in the College's Hospitality Centre, Ludo demonstrated the preparation and cooking of some delicious food, also imparting some very practical hints, tips, and safety advice to the students. A big thank you to Ludo for his time. This was a valuable experience for our students, one which will greatly assist them in their project-based learning unit for this term.
